CAMPERVANS

Premium Campervans

PROUDLY MANUFACTURED IN
SCOTLAND

Your Adventure Starts Here

From the majestic peaks of the French Alps to the wild beauty of the Cuillins in Skye, a Lomond Campers Campervan is your gateway to freedom – with all the comforts of home on the open road.

Why Choose Lomond Campers?

Bespoke Design

Tailor your campervan to reflect your lifestyle. From cabinetry finishes to upholstery details, every Lomond camper is custom-built to your personal taste.

Affordable Excellence

Choose from a selection of new or carefully sourced used Renault Trafic base vans – offering a high-quality finish without the high price tag.

Built in Scotland, Engineered for the Journey

Crafted by skilled hands in Fife, our campervans combine premium materials with modern design. We build every vehicle as if it were our own – with precision, pride, and passion.

Where will your camper take you?

Come and visit us or browse our website to explore current stock and build-to-order options.

WHAT WE DO

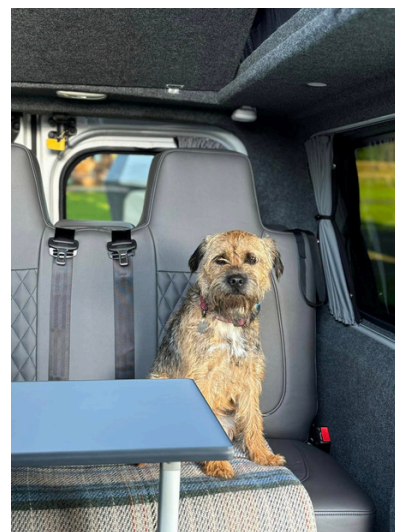

BUILT TO LAST.

At Lomond Campers, every van is handcrafted in-house with precision, passion, and pride.

We believe in using only the finest materials, combining modern styling with long-lasting functionality.

DESIGNED TO IMPRESS.

INTERIOR & BUILD QUALITY

Where Craftsmanship Meets Comfort

From CNC-cut cabinetry and flush-fitted finishes to plush, custom-made upholstery – every detail is meticulously crafted for durability and style.

Our Rock & Roll beds, intelligent power systems, and elegant lighting create a living space that's both beautiful and functional.

WHAT'S INCLUDED

As Standard in Every Build

- Crash-tested Rock & Roll bed with recline
- Passenger swivel seat
- Compressor fridge/freezer
- Digital control panel with power management
- USB + 240v sockets
- Dual LED lighting
- Cold water sink & dual hob
- Underslung fresh water tank
- Elevating pop-top roof with upper bed
- Fully insulated & sound-deadened

CUSTOM OPTIONS

Tailor Your Campervan – Because One Size Doesn't Fit All

Every journey is different – and your campervan should be too. At Lomond Campers, we offer a wide range of upgrades and enhancements that allow you to create a truly personalised vehicle. Whether you're planning family holidays, solo road trips, or long-term touring, our optional extras elevate both comfort and capability.

Popular Interior Options:

- Bespoke Re-Upholstery – Luxurious and hard-wearing, with custom stitching options.
- ISOFIX Points – Ideal for young families with car seats.
- Mattress for Pop-Top Roof Bed – Adds comfort for a good night's sleep up top.
- Lithium Battery Upgrade – Lightweight, long-life battery for enhanced off-grid use. Includes touchscreen Power Management System – Modern interface with full control of your camper's systems.
- Extra 240v/USB Outlets – Add convenience where you need it most.
- Bluetooth Audio System – Integrated speaker system for in-van music and podcasts.
- Webasto Night Heater – Programmable diesel heater for year-round comfort.

Practical Upgrades for Off-Grid Living:

- Slimline Roof-Mounted Solar Panels – Keep your leisure battery topped up on the move.
- Under-slung Grey Water Tank – Enhances waste management for wild camping.
- Water Level Monitoring System – See tank levels at a glance.

Exterior Styling & Convenience:

- Colour-Coded Pop-Top Roof – Standard in Gloss Black.
- Scenic Roof Tent Canvas – Adds panoramic views and more ventilation.
- Vamoose Drive-Away Awning Rail – Perfect for setting up additional living space.
- Fiamma F45s Wind-Out Awning – Create instant shade and shelter.
- 19" Alloy Wheels & Tyres – Upgrade your van's look and performance (not avail on 2024> Trafic).

Accessories:

- Full Campervan Starter Kit – Includes insulated thermal blinds, 10m hook-up cable, step, fire extinguisher, and more.

Whether it's tech, comfort, or style – we'll help you create a campervan that suits your lifestyle perfectly.

COST & WARRANTY

Built for You – Within Budget

Choose a pre-owned or factory-ordered base van and let us do the rest. We build on Renault Trafic, Transit Custom, and VW Transporter platforms – with full customisation options.

Option 1: Brand New Renault Trafic Build

Your Camper. Your Spec. Brand New.

Factory-ordered Renault Trafic with your choice of colour, spec, and interior finish – all built to your personal style.

Brand new Renault Trafic base van

- ✓ 3-month used vehicle warranty (extendable)

LET'S BUILD YOUR DREAM CAMPER TOGETHER.

CUSTOM CONVERSIONS

Option 3: Convert Your Own Van

Already own a van? Let's turn it into something special.

If you already have a suitable base vehicle – or plan to source one – we can convert it into a high-quality Lomond Camper. This option offers maximum flexibility, lower overall costs, and the ability to build on a van you already know and trust.

We convert most medium-sized vans including:

Renault Trafic (2014 > current)

Ford Transit Custom Mk8 & new Mk9

VW Transporter T6/ T6.1 & new T7

Vauxhall Vivaro (2014> current)

Optional upgrades include:

- ✓ Webasto diesel heater
- ✓ Lithium off-grid power systems
- ✓ Bespoke upholstery

Peace of Mind Included:

- ✓ 2-year Lomond conversion warranty

LET'S BUILD YOUR DREAM CAMPER TOGETHER.

Your Build Journey

Your Campervan, Step by Step

Building your dream campervan should feel exciting – not overwhelming.

At Lomond Campers, we guide you through each stage with clarity and care. From your first visit to driving off on your first adventure, here's what to expect on your bespoke build journey:

Visit us & view our demonstrator van

Choose your base van & secure your slot (£2,000 deposit)

Confirm your finishes and custom options

We take remainder of 50% deposit
31 days prior to booking slot

Build begins (4-week turnaround
from start date)

Final payment taken 48 hours
before completion

Vehicle handover and adventure
begins!
